

VIRGINIA FORECLOSURE PREVENTION TASK FORCE

Save the Date for this Important Training!

Presented on behalf of the Virginia Foreclosure Prevention Task Force.

Basic to intermediate Foreclosure Prevention certification training will be offered at VHDA's Headquarters building in downtown Richmond. A three-day training conducted by industry experts and providing best practices for Loss Mitigation and Foreclosure Prevention will provide counselors with information critical to serving their customers.

Who should attend: Fairfax County employees and non-profit organizations. Sign up now for training to help you help families and individuals prevent foreclosure on their homes.

Space is limited. Since seating is limited, participation will be based upon need. Please RSVP by April 23.

Cost: VHDA will be absorbing the cost of the training session, including meals provided during the training. If scholarships are necessary for lodging, VHDA will consider them on a case-by-case basis with individual attendees.

More information including the agenda, reimbursement for qualified participants and hotel accommodations will be sent to you prior to the training.
